

TOWN OF WILTON

SELECTMEN'S MINUTES

Date: April 23, 2012

Time: 6:30 P.M.

Place: Town Office

Present: Chairman Steven J. McDonough, Selectmen Daniel E. Donovan, III, and William F. Condra, and Recording Secretary Pamela Atwood

The meeting was called to order at 6:30 P.M.

CJ Goriuss attended the meeting to discuss the possibility of holding another job fair in the Town Hall. He told the Board that the first job fair was very successful; at least 14 people got jobs from the January job fair. He told the Board how an ABC news crew saw the job fair advertised on the sign on Rte 101 and they sent a crew in to film segments of it. A small clip was on the ABC evening news that night. The staffing firm that initiated the previous job fair has contacted CJ about holding another one. CJ asked the Selectmen how they felt about holding another, possibly larger, job fair on either the first Friday of July or August. The Board did not see any problems with another job fair saying that it was a good thing for Wilton.

Jessie Salisbury attended the meeting to discuss the closing of the "still good" table at the Recycling Center. Jessie stated that as she understood it, there had been some altercations at this area where people were congregating. Chairman McDonough read the minutes from the October 18, 2010 minutes when the Board voted to close the "still good" table. Steve recalled that one of the problems was people leaning into the metal bins where there were sharp items.

Jessie told the Board that people are upset about the closure.

Pam spoke on behalf of the Joint Loss Committee, stating the JLC had initiated the discussion over a year ago, noting trip hazards and safety concerns with that area.

After further discussion Chairman McDonough made a motion, seconded by Selectman Donovan, to ask Steve Elliott to come to the next meeting to re-visit the issue. A unanimous vote followed.

Selectman Condra made a motion to go into non-public session per RSA 91-A:3,II (c), seconded by Chairman McDonough at 7:00 P.M. The motion was followed by a unanimous vote.

The regular meeting was called to order at 7:48 P.M.

One (1) PSNH Pole License was signed.

The Board approved this week's manifest.

The correspondence and informational material was reviewed.

Bob Duquette was informed that if he wished to have PSNH move a pole he would need to write a letter to the Board of Selectmen. Selectman Donovan stated that pole licenses can be amended at any time.

Next, Bob invited the Selectmen to attend the next Water Commissioner's meeting because the salary issue that the Board had questioned was going to be on the agenda.

Charlie McGettigan voiced his opinion about the "still good" table at the Recycling Center and the removal of the compost pile. He also asked about the removal of the old grader and questioned the cost to have it removed.

The meeting was adjourned at 8:18 P.M. on a motion and a vote with all in favor.

Respectfully submitted;

Pamela Atwood,
Recording Secretary
